The Council is of the view that the CBCSS should continue and it should be implemented. But, during the different stages of its implementation, a number of issues have come up and they need to be addressed. These include shortage of working days to prepare the students for the first semester examinations, the deficiencies of the grading scale and the anomalies in the syllabi for various courses. The Council has therefore, decided to constitute a Committee of Experts to study these issues and to make recommendations to the Council to improve the operation of the CBCSS in the Universities
