

Friends,

The SAGE Publications have just announced the arrival of the first issue of the Journal of the Kerala State Higher Education Council, 'Higher Education for the Future', edited by me. Here is the link:<http://www.sagepub.com/journals/Journal202266>

This is an academic journal, devoted to matters relating to higher education and the first issue contains articles from distinguished educationists. It took us full two years to bring out the first issue and we hope we will be able to produce two issues every year, in January and June. The first issue was released in Thiruvananthapuram by Dr. Shashi Tharoor on January 3, 2014, on the occasion of the International Meet on Transnational Education, but it has become available to the public only now.

I am grateful to the Editorial Board and my colleagues in the Executive Council for the hard work put in to produce this high quality Journal. My appreciation to the contributors and SAGE for their excellent work.

We would welcome comments and ideas to improve the quality of the Journal.

Sincerely,
TPS
