

Eldho Mathews currently works as a Programme Officer (Internationalisation of Higher Education) at the Kerala State Higher Education Council where he is responsible for facilitating the internationalization efforts of the Council through evidence-based research and programme development. Eldho holds an MPhil degree from Jawaharlal Nehru University, New Delhi. He was a PhD candidate at the same university. His MPhil dissertation examined the functional relationship between higher education and economy in China during the period of “reform and opening up.” His current research interests are broadly in the areas of internationalization of Indian higher education, growth of private higher education and international academic partnerships. He has written extensively on these areas in various academic journals, edited books, newspapers and magazines. His research papers and articles (single and co-authored) had appeared in International Higher Education (Boston), Change: The Magazine of Higher Learning (Washington, D.C.), Times Higher Education (London), Economic and Political Weekly, The Hindu, University World News(London),The World View of Inside Higher Ed (Washington D.C.), European Association for International Education’s FORUM(Amsterdam), edited books published by SAGE, Routledge,etc., among others. His professional activities include serving as a Consultant to the World Bank on internationalization of Indian higher education and India-Africa Co-operation in Higher Education. Eldho had served on an expert panel of the UNESCO IESALC in 2021 for preparing a policy paper on the “Impact of COVID-19 on Higher Education”. His views on higher education were quoted by Nature, Times Higher Education,International Educator Magazine, University World News, The Hindu, Times of India, PIE News, etc. Prior to joining the Council, Eldho worked as a Deputy Advisor at the Unit for International Cooperation of the National Institute of Educational Planning and Administration in Delhi; Head, Internationalising Higher Education-South India at the British Council, Senior Researcher at Sannam S4, Full-time Consultant at the Department of Higher Education of the Ministry of Human Resource Development and the Planning Commission of India(now NITI Aayog).
