REPORT ON INCENTIVES FOR TEACHERS

BACKGROUND

The present higher education system in the state does not have a system of providing incentives for meritorious and performing teachers. The continued absence of any incentives for performance might lead to either complacency or even de-motivation of the performing individuals. Therefore, there is need to assess the performance of teachers and link it with incentives in the form of recognition and rewards. Hence the Kerala State Higher Education Council appointed a Committee to study the feasibility of granting incentives to Teachers.

OBJECTIVES:

1. To establish a mechanism for objective assessment of teachers in higher education and for linking performance with rewards.
2. To recognize and felicitate teachers in Higher Education on the basis of their performance according to various criteria like; teaching, research, extension and innovative practices and thereby incentivizing the performance.

GOALS:

1. To prepare the criteria for measuring performance of college teachers.
2. To decide the form of incentives of the rewards for teachers.
3. To constitute a panel of experts who can act as members of jury for the above awards.
4. To institutionalize the mechanism of linking performance with rewards in the higher education sector in Kerala.

ACTION PLAN:

- Finalization of nomination form.
- Finalization of processes of different stages of implementing this scheme of awards.
- Inviting nomination for the awards.
- Calling the meeting of panel of experts for screening and selection for awards.
- Notification of awards.
- Felicitation of teachers with rewards.

The Committee, after due deliberation, makes the following recommendations:

1. NATIONAL LEVEL

The most important incentive, which can be given to the best teachers, is the creation of a separate cadre for them. The proposal for the formation of an All India Service, designated as the Indian Education Service has been lying dormant. The Committee recommends that this may be revived to create a cadre of professional educationists to shoulder high responsibilities, both academic and administrative, in education.

2. CATEGORIES OF AWARDS:

Following categories of awards may be given:

A. AWARDS FOR PRINCIPALS:

- i. Best Principal Award from each university: (Guru Vishisht)
